

Clark Pediatrics believes in the philosophy of a medical home. We ask that you contact our office for any appointment needs or health care concerns or questions, and that you refrain from seeking services from retail clinics.

In the event your child needs care after hours, please call our office for referral to the appropriate facility.

In general, for routine ailments, minor illness, or minor injuries, we recommend you take your child to Clark Memorial Health's Urgent Care in Clarksville. They are open Monday - Friday 10:00 am-7:00 pm, Saturday 10:00 am - 6:00 pm and Sunday 1:00 pm - 5:00 pm. They see patients who are 16 weeks and older. They are located at 2205 Greentree North, Clarksville, and may be reached at (812)-246-4808.

For illness or injury of a more serious nature, take your child to the Emergency Department at Norton Children's Hospital or Clark Memorial Health. Dial 911 for life threatening conditions.
